

# ALUTICA MILITARY BELT BUCKLE

**TRIMMERS**<sup>®</sup>  
HARDWARE COMPANY

Item # HH103 + HH112-Z

Item# HH112

Item# HH103

**Built for the Brave: Aircraft-grade aluminum military belt buckle - tough as you are.**

## DESCRIPTION:

**Curved edges:** The curved edges of the buckle could help grip the webbing more securely, preventing it from slipping or loosening accidentally.

**Unbreakable hold:** The strong buckle and secure bar ensure your gear stays put, no matter the situation.

**Built to last:** Made from high-quality materials and featuring a robust design, this buckle is made for the long haul.
