

ALUMINUM RULER

Item #OR124

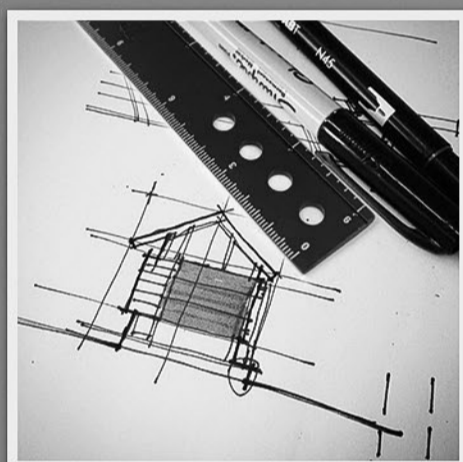

STYLISH DESIGN

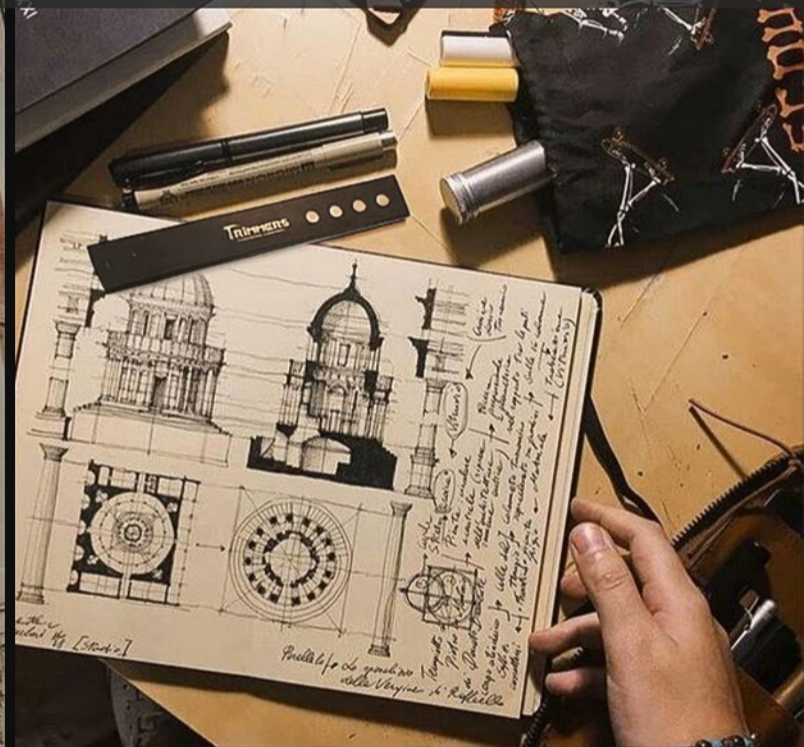

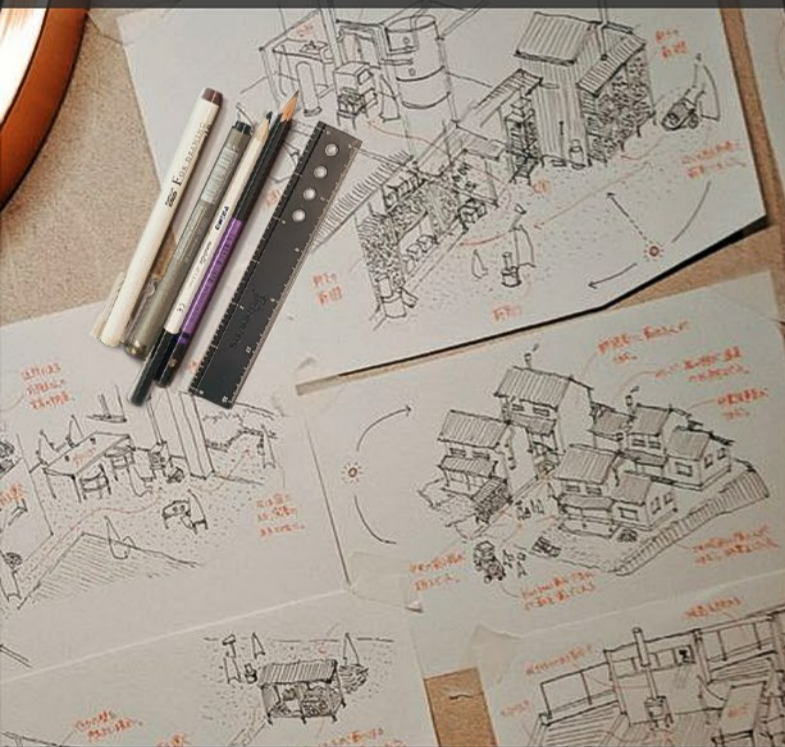

The smooth aluminum finish looks great and makes this ruler a standout in your toolbox.

Size: 160mm

Laser etching for private label is available

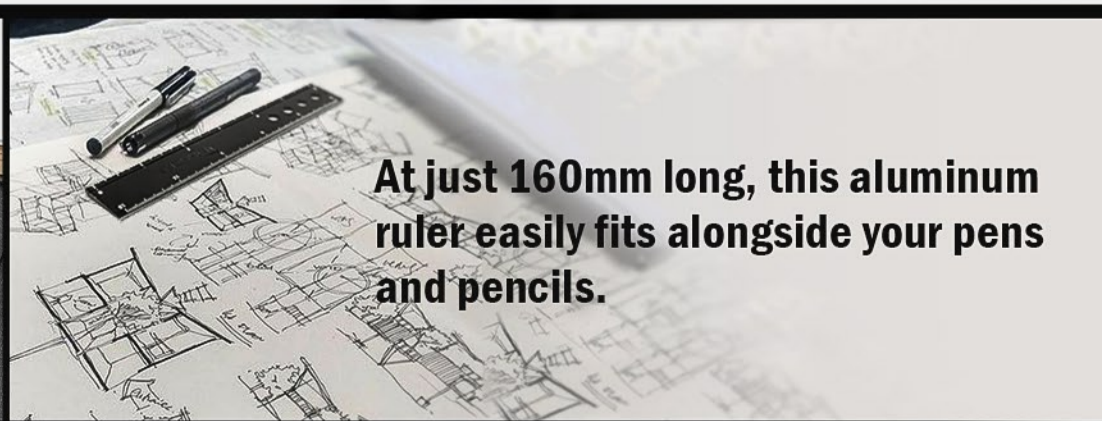

DESCRIPTION:

Built to last: This ruler is crafted from durable aluminum, designed to withstand tough tasks without breaking.

Scratch-Resistant and Wearproof: Its anodized aluminum finish ensures clear readings and resists scratches and fading over time.

Lightweight & Portable: It'll fit conveniently into your backpack or pencil case for use wherever you go.

At just 160mm long, this aluminum ruler easily fits alongside your pens and pencils.
