PART 5

ALUTICA TILT HEAD: BOTTLE OPEN D-RING

Item#: HH146

This Alutica Tilt Head: Bottle Open D-Ring has 1 webbing slot and a hole that is large enough to fit anything from a swivel hook to a safety harness hardware and more.

Furthermore, this item can also be used as a bottle opener - very convenient.

Our item is applied as an open-close buckle for Nemo Equipment's camping/picnic blankets.

The high-quality aluminum buckle is fully adjustable and connects with any webbing to become a lightweight, sturdy, and durable belt.

This belt not only looks good on any pants, but it also stays nice and snug while hiking and walking.
